

## ELMOGRAND

**QUALITY** Pure-Aniline

**HIDE SIZE (Av)** 5 sq metres

**THICKNESS** 2 – 2.3 mm

ELMOGRAND is a sumptuous Pure-Aniline leather that is one of the most beautiful leathers available in Australia. The extremely soft handle coupled with a thick heavy grained appearance makes ELMOGRAND unique among upholstery leathers. The extra substance, enhances the natural grain giving the assurance of luxury. Only the highest premium Scandinavian hides are used in the production of ELMOGRAND.

As with all Pure-Aniline leathers ELMOGRAND does not have any pigment or protective coating applied to its surface. This enables the leather to breathe thus ensuring the maximum comfort. At the same time all the natural elements of the hide such as fat wrinkle lines, healed scars, insect bites etc. are visible, giving the guarantee of authenticity.

Pure-Aniline leathers do not have a protective coating applied to the surface and are therefore more susceptible to sunlight. Care should be taken in high-traffic areas where food and drink spillage could stain the leather.

Characteristic	Test Method	Test Results
COLOURFASTNESS TO TO-AND-FRO RUBBING	EN ISO 11640 EN ISO 11641	Dry 3 Wet 3 Perspiration 3
COLOURFASTNESS TO LIGHT	EN ISO 105-B02	3
pH AND Δ pH	EN ISO 4045	pH > 3.2 Δ pH ≤ 0.7
TEAR STRENGTH	EN ISO 3377-1	>20N
FIRE RATING	Fire tests available for ISO 8191 1 & 2	
ENVIRONMENTAL FEATURES  For details on our EIS criteria, please refer to our website	<ul style="list-style-type: none"> <li>• Rapidly-renewable / agricultural by-product</li> <li>• Environmentally Improved Production Process : reduced energy consumption (5%), reuse/recycling of waste (95%), no hazardous substances such as PCPs, formaldehyde, hexavalent chromium, PCBs, chlorinated compounds are used.</li> <li>• Environmental Management System ISO 14001: Produced at an ISO 14001 certified tannery – Elmo's Environment Report is available on request</li> <li>• Certified as low-VOC, meeting the Green Star emission requirements. Test report available upon request.</li> <li>• Reusable and recyclable</li> </ul>	
CARE	<ul style="list-style-type: none"> <li>• Avoid placing leather in direct sunlight, weather and at least 60cm from heat source</li> <li>• Do not use harsh chemicals, shoe polish, saddle soap or unidentified leather cleaners, solvents and oils</li> <li>• Keep free of dust and grit. Dust before cleaning. If vacuuming use soft attachment.</li> <li>• Gently remove all spills immediately with clean dry cloth (do not use damp cloth).</li> <li>• Regularly clean contact areas such as arms and head rests to avoid build up of perspiration and body oils, which may discolour leather.</li> <li>• We recommend professional cleaning with specialist leather cleaners and conditioners in strict accordance with manufacturer's instructions</li> </ul>	

The use of this symbol indicates that ELMOGRAND has been tested by accredited, independent laboratories and met or exceeded the performance guidelines for ANILINE as determined by the CLA.
